Air Permit # TV-1200-0073**

3M Company has applied to the SC DHEC for a significant modification to their existing Part 70 Air Quality (Title V Operating) Permit for its existing site. The draft/proposed Title V Operating Permit and Statement of Basis have been written by the BAQ incorporating and outlining the proposed project and applicable regulations. The draft/proposed permit includes the following:

- Updated baghouse description in Table B.13 to "Baghouse BH-1"
- Removed the extra "BH-16" in the Control Device ID of Condition C.3, C.4 and C.16
- Deleted Condition C.13 and marked it a reserved
- Revised Current Condition C.15 as requested by the facility
- Removed Control Device CD-8 and CD-9 where listed in the permit
- Changed installation date of Baghouse 7 (BH-7) and Baghouse 14 (BH-14) due to like for like replacements
- Added new Baghouse 17 which replaced both Baghouse 5 (BH-5) and Baghouse 13 (BH-13) due to like for like replacement

If approved, the draft/proposed Title V Operating Permit will enable the facility to continue to operate as a major source in accordance with SC DHEC Regulation 61-62.70 - Title V Operating Permit Program. All emissions limitations and conditions contained in the draft/proposed permit have been written to ensure that the facility operates within the requirements of the Title V Operating Permit Program for the State of South Carolina. The draft/proposed permit has not yet been approved and is open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

Interested persons may review the materials drafted and maintained by SC DHEC for this facility and submit written comments on the draft/proposed permit by the end of the public notice period listed above, to the BAQ Public Notice Coordinator at the above DHEC address or by e-mail at AirPNComments@dhec.sc.gov. All comments received by the end of the notice period, will be considered when making a decision to approve, disapprove, or modify the draft/proposed permit. Where there is a significant amount of public interest, SC DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to the BAQ Public Notice Coordinator at the above SC DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft/proposed permit, please contact Kirk Schneider at the phone number listed above. A final review request may be filed after the permit decisions have been made.
